LEGO® MINDSTORMS® Education

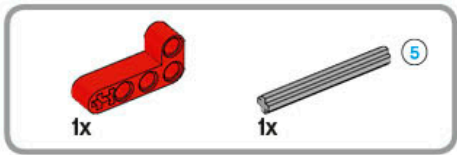

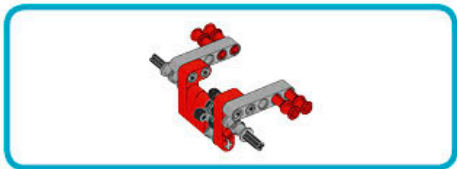

The advertisement features a central image of the LEGO Mindstorms EV3 Core Set robot, which is a white and grey brick-based robot with a large screen on its head and two large black wheels. To the left of the robot is a circular icon containing six smaller icons representing various features: a camera eye, a gear, a hand, a speaker, a light, and a sensor. Below the robot is a small icon of a Wi-Fi signal and a text box that says "Made for iPod iPhone iPad". To the right of the robot is a smaller image showing the components of the set, including the EV3 brick, a motor, a sensor, and various gears and connectors. The text "Core Set" is written in a large, stylized font above the robot, and "GRUND-SET Ensemble de base Set principal Conjunto Principal ALAPKÉSZLET" is written below it. At the bottom of the advertisement, the LEGO logo is followed by "mindstorms education" and "EV3".
