LEGO® MINDSTORMS® Education

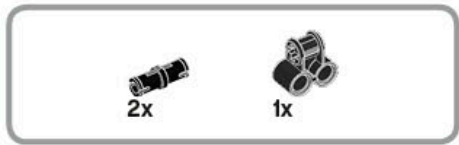

The advertisement features a central image of the LEGO Mindstorms EV3 Core Set, a white and grey robot with a large screen on its head. To the left of the robot is a circular icon containing six smaller icons representing various features: a camera eye, a gear, a hand, a speaker, a light, and a sensor. Below the robot is a Wi-Fi icon and a box that says "Made for" with icons for iPod, iPhone, and iPad. To the right of the robot is a smaller image showing the components of the set, including the EV3 brick, a motor, a sensor, and various beams and connectors. The text "Core Set" is written in a large, stylized font above the smaller image, with translations in German, French, Spanish, and Hungarian below it. At the bottom of the advertisement, the LEGO logo and "MINDSTORMS education" are displayed, along with the "EV3" logo. The product number "45544" and the website "LEGOeducation.com" are also present.
