

Puppet Show

Create a puppet that moves using LEGO® Education SPIKE™ Prime.

Think Like an Engineer:
How will you test and improve your
initial puppet to make it better?

Think Like a Biologist:
What kinds of creatures can you make
and how would they move?

Example Ideas

Below are a few different types of puppets. Can you think of more?

String Puppet of a Person

Shadow Puppet of a Cat

Rod Puppet of a Snake in a Basket

📖 Art and Literature

Flip over for more details!

Build It!

Think about how you could transform rotational motion into linear motion. Try to make your favorite animal! →

Code It!

Code for the dancing string puppet: →

Modify It:

Can you make your puppet do different things when different buttons are pressed?

Can you have noise and movement at the same time?

How does changing the speed affect your puppet's motion?

Challenge Yourself!
Can you make a puppet that moves to music?
